

Love's Body

Eucharist in our lives

A Photographic Exhibition

This is an unusual photographic exhibition focusing on the mystery of the Christian life; a variety of people from around the world were invited to contribute a photo depicting an image of Eucharist in their lives: an image of *Love's Body*. The contributors were invited also to write a few words about why they had chosen this image. The result is a magnificent collection of images and short reflections which reveal something of the imaginative power of Eucharist in our lives and challenge viewers to re-discover *Love's Body* for themselves.

Damien Coleridge will open the exhibition at Kildara Centre on St Brigid's Day, **Wednesday, Feb 1** as part of our St Brigid's Day celebrations. Time: **7.00 for 7.30pm**

**BOOKINGS NECESSARY FOR THE OPENING NIGHT
AS REFRESHMENTS WILL BE SERVED.**

It is no coincidence that this exhibition about Eucharist is opened on St Brigid's Day as Bishop Delany, the Bishop who re founded the ancient order of Brigid as the Brigidine Sisters, was known for his particular devotion to the Eucharist.

It is hoped that this exhibition will stimulate further discussions and sessions on the Eucharist throughout the year for various groups.
